Aberporth

Laundrette

10 years and still washing well

ABERPORTH LAUNDERETTE opened in July 2003 and has gone from strength to strength.

With the latest technology in machinery, they can offer a first class laundry service to the public and local businesses.

Mrs Evans said "We pride ourselves on cleanliness here. Many people have commented

that this is a unique laundrette because of the way it looks, and the little details which enhance the place."

The business has won the JLA Welsh laundrette of the year in 2004, 2005, 2009 and in 2011, which in its own right is a testament to the work and service that the staff have put in over the last 10 years.

They welcome you all to the laundrette and their friendly and helpful staff are always on hand to assist you in any way possible.
